Church leaders are often heard to say that old ways aren't working any longer. Creating a Climate for Giving brings a vision for a fresh way of creating a climate for giving in local churches. Joiner explores the subsystems through which a church leads its members to give or not to give. We must refine ""fund-raising"" to ""funding ministry."" In the interim between being a ""fund-raising church"" and becoming a ""funding ministry church,"" finance leaders will continue to need models demonstrating how to operate the short-term finance ministries of their church. This is where Joiner can help. (A financial campaign for developing Christian philanthropists is included.)
