Pretty Much Screwed

Jenna McCarthy

Pretty Much Screwed Jenna McCarthy

Known for her “hilarious and spot-on”* memoirs *I’ve Still Got It...I Just Can’t Remember Where I Put It* and *If It Was Easy, They’d Call the Whole Damn Thing a Honeymoon*, Jenna McCarthy turns her comedic talents to fiction with a novel about picking yourself up out of the gutter when life kicks you to the curb...

“I don’t love you anymore.”

For Charlotte Crawford, the worst part about being dumped after twenty years of marriage is that her husband, Jack, doesn’t want another woman; he just doesn’t want her.

Forty-two and clueless, Charlotte is a fish out of water in a dating pool teeming with losers. Just when she thinks she’s finally put her failed marriage behind her, it comes back to bite her in the ass...hard. Without warning, Charlotte finds herself staring down the barrel of a future she wouldn’t (*she would totally*) wish on her worst enemy.

Engaging, fearless, and relentlessly funny, *Pretty Much Screwed* is a story of love, loss, friendship, forgiveness, turtledoves, taxidermy, and one hilariously ill-placed tick.

*Celia Rivenbark, *New York Times* Bestselling Author

From reader reviews:

Jose Gould:

What do you think about book? It is just for students because they're still students or that for all people in the world, the particular best subject for that? Simply you can be answered for that query above. Every person has several personality and hobby for every other. Don't to be pushed someone or something that they don't want do that. You must know how great in addition to important the book Pretty Much Screwed. All type of book can you see on many solutions. You can look for the internet resources or other social media.

Lana Spalding:

In this 21st centuries, people become competitive in every single way. By being competitive today, people have do something to make these individuals survives, being in the middle of often the crowded place and notice through surrounding. One thing that often many people have underestimated it for a while is reading. Sure, by reading a guide your ability to survive improve then having chance to stay than other is high. For you personally who want to start reading some sort of book, we give you that Pretty Much Screwed book as basic and daily reading reserve. Why, because this book is more than just a book.

Terrie Delgadillo:

Reading a guide tends to be new life style in this particular era globalization. With looking at you can get a lot of information that may give you benefit in your life. Using book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their reader with their story or perhaps their experience. Not only the storyplot that share in the books. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this Pretty Much Screwed.

Susan Padgett:

Do you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Aim to pick one book that you find out the inside because don't judge book by its deal with may doesn't work the following is difficult job because you are frightened that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer can be Pretty Much Screwed why because the excellent cover that make you consider regarding the content will not disappoint a person. The inside or content will be fantastic as the outside or maybe cover. Your reading sixth sense will directly guide you to pick up this book.
