The Fire-Eaters (Costa Children's Book Award (Awards)) David Almond

Bobby Burns knows he's a lucky lad. Growing up in sleepy Keely Bay, Bobby is exposed to all manner of wondrous things: stars reflecting off the icy sea, a friend that can heal injured fawns with her dreams, a man who can eat fire. But darkness seems to be approaching Bobby's life from all sides. Bobby's new school is a cold, cruel place. His father is suffering from a mysterious illness that threatens to tear his family apart. And the USA and USSR are testing nuclear missiles and creeping closer and closer to a world-engulfing war.

Together with his wonder-working friend, Ailsa Spink, and the fire-eating illusionist McNulty, Bobby will learn to believe in miracles that will save the people and place he loves.
