Book of Elven-Faerie: The Secrets of Dragon Kings, Druids, Wizards & The Pheryllt (Second Edition) Joshua Free

The Elvish Tradition brought to the light of the mortal world... for the first time ever! An authentic path to Druidism! The original underground bestselling masterpiece returns in a NEW updated, revised & expanded second edition! "Book of Elven-Faerie: The Secrets of Dragon Kings, Druids, Wizards & The Pheryllt" became the genesis of the modern 'Mardukite' movement when privately released by prolific visionary writer, Joshua Free, in 2006. This revolutionary and controversial compendium of lore and magic reveals many things including: * How ancient traditions of Mesopotamia (Sumerians, Babylonians, etc.) evolved into mystical, mythical and societal systems of Western Europe. * How the most arcane practices shaped the customs and beliefs of the Western World. * How modern folk magic can be traced back through the evolution of human civilization as carried by Druidic Tribes, the Tuatha de Dannan and ancient Anunnaki. An entire exploration into the Elven Way, Celtic Faerie Tradition and Danubian Druidism is offered -- such as never seen before. Drawing from hundreds of sources, a reconstructionist Elven-Faerie tradition and system paradigm is presented by critically acclaimed Mardukite Druid, Joshua Free, including two complete grimoires that bring the magic and enchantment of nature, the elemental world, astral plane and woodlands to life. "Book of Elven-Faerie" actually restores the historical basis of the modern 'New Age' movement, resulting from one seeker's pursuits into the origins of the 'Druids'. This compendium includes: "Druids of the Deep", "The Elven-Faerie Grimoire" and "The Greenwood Forest Grimoire". [Mardukite Catalog Designation: Liber-D (Year-0)] Also in this series: - "Draconomicon" by Joshua Free - "Druidry" by Joshua Free
