## Classic Tales of the Macabre (Collector's Library)

The dictionary defines 'macabre' as something that is 'grim, gruesome and grotesque'. This definition sums up splendidly the flavour and the content of the excellent stories you will find in this collection. Here are tales written by masters of the genre which feature ghosts, monsters, magic, and horror - everything and anything which is out of kilter with the norm and challenges the imagination, while creating that special tingle of fear which is generated by uncertainty. In reading these pleasantly disturbing stories it is as though one is looking at the world through a glass darkly. This wonderfully potent brew of macabre titbits is guaranteed to entertain and enthrall.
