Do you want to keep track of trails that you have driven on in your 4x4? Would you like to record a few specifics and maybe a note or two about the trail, or the day?

Off-Road Journal is a partially guided journal to help you record various parts of your ride on a trail. The journal can accommodate 72 different rides. Each trail gets two pages. The first page is guided with Trail Name, Rating, Date, Location: State/Country and Nearest City or Landmark, Vehicle, Other Vehicles or People in the Group, Weather, and Personal Rating. The Second page is for Best Part of the Trail, Modifications to Vehicle (now or for next time), and Other Notes. Here you can make your own notes or place the stickers that some more famous trails have.

There is also a place on the cover and inside to record the volume, then if you fill up one journal you can start another of the same cover or pick a different cover, the insides are all the same. Search for "S M Off-Road Journals", (use quotation marks for best search results), to see all covers.

Journal will fit in a large zip lock bag for added protection when trailing.
