Rune Rede: Wisdom and Magic for the Life Journey Ruarik Grimnison

The author of this book, Ruarik Grimnison, has taken a step further than many authors who write on the runes and runic studies. Here, Ruarik takes an overview of the runes and the forces at work within the universe and then steps in closer to each one, giving the reader that extra which actually encourages further study without blowing all the mystery. I've been using runes for many years myself and still found the book to hold several new things for me. On the whole, very well written, in depth without being overly scholarly, and an ideal addition to the book hoard of any rune enthusiast or serious practitioner. Also has some very beautiful artwork.
