Seasons of Harvest: Essays on the Literatures of Lusophone Africa Niyi Afolabi, Donald Burness

Seasons of Harvest brings together prominent and emergent international scholars whose unity lies in the collective effort of sharing critical commentaries on neglected writers from Portuguese-speaking Africa with the rest of the world. Contributors on Angola, Mozambique, Cape Verde, and São Tomé-Príncipe include Niyi Osundare, Gerald Moser, Inocencia Mata, Gregory McNab, Jared Banks, Donald Burness, Niyi Afolabi, and George Alao.

Focusing on their place within a larger context of unheard voices of African experience, these essays are written by a wide range of authors such as Alda Lara, Orlando de Albuquerque, Orlando Mendes, Alda do Espírito Santo, Sum Marky, Ungulani Ba Ka Khosa, Lina Magaia, Paulina Chiziane, Lilia Momplie, Adelina da Silva, and young cultural producers like Xiphefo and Prométhée. They introduce the general reader and specialists alike to compelling issues of love, gender, race, class, culture, colonialism, oppression, national identity, narrative violence, and liberation. Here is an invigorating attempt to rescue silenced voices and return them to the visible level of the long drums and canons of the African literary festival.

From reader reviews:

Joel Connolly:

What do you consider book? It is just for students because they're still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be compelled someone or something that they don't desire do that. You must know how great in addition to important the book Seasons of Harvest: Essays on the Literatures of Lusophone Africa. All type of book are you able to see on many options. You can look for the internet sources or other social media.

Michael Hale:

The reason? Because this Seasons of Harvest: Essays on the Literatures of Lusophone Africa is an unordinary book that the inside of the guide waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking approach. So , still want to delay having that book? If I have been you I will go to the e-book store hurriedly.

Lyle Morales:

Playing with family in a park, coming to see the marine world or hanging out with buddies is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Seasons of Harvest: Essays on the Literatures of Lusophone Africa, you are able to enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.

Bryant Booher:

Your reading 6th sense will not betray an individual, why because this Seasons of Harvest: Essays on the Literatures of Lusophone Africa guide written by well-known writer we are excited for well how to make book that can be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still doubt Seasons of Harvest: Essays on the Literatures of Lusophone Africa as good book not just by the cover but also through the content. This is one reserve that can break don't assess book by its include, so do you still needing another sixth sense to pick this particular!? Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.
