Secrets protect...but they also destroy. Allie Swift has a secret—one that has kept her from finding a Dom willing to take her where she longs to go, far beyond the slap-and-tickle approach of BDSM-lite, into the deep reaches of true sadomasochism. When she meets Liam on a BDSM personals site, she senses he's different from the Doms she has been with before. His darkly compelling nature speaks directly to her submissive heart. Liam Byrne had it all—a great career, a hot body, and a submissive fiancée. That is, until a year ago when a head-on collision with a drunk driver shattered not only his leg, but also his life. Now Liam harbors an ominous secret, one that's tearing him apart and causing him to hold the world, including Allie Swift, at arm's length. As the intensity of their D/s exploration increases, Liam and Allie must confront their fears. Together they must decide if the bond they share is strong enough to survive bringing their secrets to light. Secrets is the first novel in Claire Thompson's new edgy BDSM romance series: BDSM Connections. Prepare for a powerful, emotional experience.
