Speechwriting made easy: How to easily develop topics to speak about, and an outline to build your speech on

So, you have to give a speech. And the idea has you more scared than a rabbit being chased by a fox. Many people get stressed when they have to speak publicly, but one way to lessen that anxiety is to write a well-organized speech that will interest your audience. Even if you currently have no idea what you're going to speak about, by using the principles in this book you can easily develop an interesting topic.

As with many skills, it's easy to develop ideas for speeches if you just know how. It's also easy to develop an outline, which will make your speech much easier to write and help your listeners grasp your ideas. This book will show you how to easily develop ideas for what to speak about, and how to quickly create an outline to build your speech on.
