The Law of Chaos: The Multiverse of Michael Moorcock Jeff Gardiner

“This new book, the latest Moorcockian meteorite to flash across the heavens, is a timely reminder of the scope, depth, heart and magnificence of an author with numerous readers, bright-eyed fans, global correspondents, but far less mainstream acknowledgement than he deserves. The glory of the work, in its astonishing reach and range, is that it can be freshly excavated by every rising generation.” Iain Sinclair

From Jerry Cornelius and the Eternal Champion fantasies to Pyat and more recent novels, *The Law of Chaos* is an entertaining and accessible reader’s guide that explores the life and achievements of Michael Moorcock, one of modern literature’s most influential figures. All Moorcock’s works are examined and discussed in detail from early fantasies to his later philosophical novels. With an introduction and other material by Moorcock himself, *The Law of Chaos* travels the moonbeam roads through the enigmatic multiverse of a celebrated literary icon.
