## **White Crane (Modern Gods) (Volume 1) Blaze Ward**

Kai Di laments the death of her best friend, who, it turns out, lived a double life as a super villain. A secret life she hid from everyone, including Kai Di. Kai Di's anger at the world smolders, unquenched by family and the rituals of death. How can Kai Di properly mourn her closest friend, the one person who understood her, while the rest of the world celebrates her demise? How can Kai Di get vengeance on the "hero" who killed her? "White Crane"—the first novel in the fantasy trilogy "Modern Gods"—puts a new spin on the superhero genre in this enchanting, engrossing tale. This story explores coming of age while dealing with great power, the true meaning of good and evil, as well as what sort of payroll options you should give henchmen.
