**Bridget Jones's Baby: The Diaries** Helen Fielding

**Bridget Jones, beloved Singleton and global phenomenon, is back with a bump in *Bridget Jones's Baby: The Diaries*.**

8:45 P.M. *Realize there have been so many times in my life when have fantasized about going to a scan with Mark or Daniel: just not both at the same time.*

Before motherhood, before marriage, Bridget with biological clock ticking very, very loudly, finds herself unexpectedly pregnant at the eleventh hour: a joyful pregnancy which is dominated, however, by a crucial but terribly awkward question – who is the father? Mark Darcy: honourable, decent, notable human rights lawyer? Or Daniel Cleaver: charming, witty, notable fuckwit?

9:45 PM *It's like they're two halves of the perfect man, who'll spend the rest of their lives each wanting to outdo the other one. And now it's all enacting itself in my stomach.*

In this gloriously funny, touching story of baby-deadline panic, maternal bliss, and social, professional, technological, culinary and childbirth chaos, Bridget Jones – global phenomenon and the world's favorite Singleton – is back with a bump.
