Candyass Nick Comilla

Arthur is a young gay man in Montreal at a crossroads. He gets lost in a blizzard of boys and endless possibilities—looking to fall in love and to experience devotion—but he finds himself increasingly immersed in a world of hedonism and deception, especially as he deals with the messy remains of his relationship with Jeremy, his chimerical ex-boyfriend and first love. He moves to New York in search of something more, but due to a lack of foresight and chaotic romantic entanglements, he finds he still yearns for authentic connections with others. In a world that celebrates youth and extended adolescence, what does it mean to grow up?

Candyass is a coming-of-age novel with hard edges and a soft heart: a striking debut work about what it means to be young, queer, and urban today; a radical chronicle of queer love and desire among millennials, whose feelings and impulses flicker and fade along with the bright lights of the city at night.

Nick Comilla lives in Brooklyn, New York.

From reader reviews:

Alfred Hoover:

Book is written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. As you may know that book is important issue to bring us around the world. Close to that you can your reading skill was fluently. A publication Candyass will make you to always be smarter. You can feel a lot more confidence if you can know about everything. But some of you think that will open or reading any book make you bored. It is not make you fun. Why they are often thought like that? Have you trying to find best book or suited book with you?

Ismael Soliz:

The book Candyass can give more knowledge and also the precise product information about everything you want. So just why must we leave the best thing like a book Candyass? Wide variety you have a different opinion about guide. But one aim in which book can give many information for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or info that you take for that, you could give for each other; you could share all of these. Book Candyass has simple shape nevertheless, you know: it has great and big function for you. You can search the enormous world by available and read a guide. So it is very wonderful.

Jennifer Barton:

A lot of people always spent all their free time to vacation or even go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or playing video games all day long. In order to try to find a new activity this is look different you can read a book. It is really fun for you. If you enjoy the book that you simply read you can spent all day long to reading a guide. The book Candyass it is rather good to read. There are a lot of people that recommended this book. These were enjoying reading this book. When you did not have enough space to create this book you can buy typically the e-book. You can m0ore effortlessly to read this book through your smart phone. The price is not to cover but this book has high quality.

Mary Fox:

Is it a person who having spare time after that spend it whole day by watching television programs or just laying on the bed? Do you need something new? This Candyass can be the reply, oh how comes? The new book you know. You are so out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
