Scotland: The Wild Places Colin Prior

This latest collection of panoramic photographs by award-winning photographer Colin Prior celebrates the breathtaking scenery of Scotland's wildland areas. It follows the longstanding success of his earlier book *Highland Wilderness*. Whereas *Highland Wilderness* focused on the issues involved in conserving the Highlands, this time Prior presents a mature reflection on the space and silence of those wild places, a salutary reminder to people that even in today's world such places do exist. His remarkable images encourage stewardship of the Highlands by inspiration rather than rhetoric.
