The Hazards of Hunting a Duke (Desperate Debutantes) Julia London

USA Today bestselling author Julia London, "a gifted and versatile author" (*Publishers Weekly*), introduces a sexy, wildly romantic and emotionally charged new trilogy in which three aristocratic young ladies, upon discovering they are destitute, resort to desperate means to keep up appearances...and find the husbands of their dreams.

When the young ladies of the Fairchild family learn that their stepfather has absconded with their late mother's fortune, Ava, the eldest, hunts down the notoriously wealthy rakehell Jared Broderick, the Marquis of Middleton and heir to a dukedom. Much to her shock and delight, the marquis sweeps her into a whirlwind romance and proposes marriage. But after their passionate wedding night, Ava discovers Jared has ulterior motives of his own. Not only does he expect her to deliver an heir while he continues to enjoy a rogue's life, but Ava also suspects she is a pawn in her husband's quest for revenge. Marriages of convenience work for some, but for Ava a loveless bond won't do. So she devises a bold plan to confront her husband's demons so that he might be free to choose to give her his heart for the right reason: because she is the only woman he will ever truly desire.
