The Life Insurance Life Preserver: And Little Known Facts That Can Save You Daniel A Bassani
Finally! An easy to read and understand book about one the most important subjects most people never learn about...until it's too late! Life Insurance! The first half of this book is written in a simple style to help the reader easily understand the different types of life insurance without overwhelming graphs and mind numbing charts. The second half of this book will take the reader on a journey across kitchen tables and experience real life stories of some of the disasters and pitfalls that many of the folks we have met, have made. It also includes some good and happy endings of some of these folks, as well. It will shed light on the dangers of misinformation or lack of knowledge on this important subject. I hope this book will educate and enlighten the reader and help preserve their family's legacy.
