## **Understanding Post-Tonal Music** Miguel Roig-Francoli

*Understanding Post-Tonal Music* explores the compositional and musical processes of twentieth-century post-tonal music. The book is intended for undergraduate or general graduate courses on the theory and analysis of twentieth-century music. The aim of the book is to increase the accessibility of post-tonal music by providing students with tools for understanding issues like pitch organization, rhythm and meter, form, texture, and aesthetics. By presenting the music first and then deriving the theory, *Understanding Post-Tonal Music* leads students to greater understanding and appreciation of this challenging and important repertoire.
