With a unique male perspective, no BS (or gluten), provocative illustrations, and outlandish observational humor, Joe Bovino's national #1 bestseller, *Why Latinas Get the Guy*, examines what men really think about the choice between American and Latin-American women.

The book begins by analyzing the impact of third-wave feminism on America's dysfunctional dating scene. It's not a pretty picture, but it presents an opportunity for women who are confidently feminine enough to seize it.

Then Bovino employs his trademark "chickspotting" (or "chicaspotting") methodology to compare and contrast 14 subcultures (or "species") of Latinas in the United States - such as the Colombian-American "Symmetrical Force," Mexican-American "Taco Belle," Brazilian-American "Bumbshell," and Cuban-American "Transformer" - with 14 species of more fully assimilated American women, such as the San Francisco "49er," Seattle "Perfect 6," NYC "So Ho'" and "So Ho' Mo," and the "Boca Bitch."

In the final chapter, Bovino introduces 10 helpful Ghost to Goddess Principles for American women who want to do an even better job of attracting, dating, and keeping a high-quality guy, as well as a little advice for Latinas in the United States.
