**Part of the Penguin Orange Collection, a limited-run series of twelve influential and beloved American classics in a bold series design offering a modern take on the iconic Penguin paperback**

For the seventieth anniversary of Penguin Classics, the Penguin Orange Collection celebrates the heritage of Penguin's iconic book design with twelve influential American literary classics representing the breadth and diversity of the Penguin Classics library. These collectible editions are dressed in the iconic orange and white tri-band cover design, first created in 1935, while french flaps, high-quality paper, and striking cover illustrations provide the cutting-edge design treatment that is the signature of Penguin Classics Deluxe Editions today.

## *Ceremony*

Almost forty years since its original publication, *Ceremony* remains one of the most profound and moving works of Native American literature—a novel that is itself a ceremony of healing. Masterfully written, filled with the somber majesty of Pueblo myth, *Ceremony* is a work of enduring power.
