Collecting the original twelve scripts of the landmark comics series, the Demo Script Book allows an entertaining and informative behind-the-scenes look at writer Brian Wood and artist Becky Cloonan's creative process, including the early notes setting up the characters, setting, and cover illustrations for each issue. Presented in Wood's very readable script/prose hybrid format and complemented with 12 new illustrations by Cloonan, the Demo Script Book stands solidly on its own or as a companion to the original series.
