## **Great American Documents for Latter-day Saint Families** Thomas R. Valletta

Have you ever tried to read the Declaration of Independence or the Constitution, but found them difficult to understand? Would you like to see evidence of God's hand throughout the unique history of the United States? Great American Documents for Latter-day Saint Families discusses several vital documents of American freedom and liberty as well as providing background on the key leaders who helped create these documents and establish our remarkable heritage showing how these documents laid the foundation of this great nation and provided a cradle for the Restoration of the Gospel. Based on the format of the other books in the Latter-day Saint Families series, this book provides historical background and prophetic insights, thought-provoking questions, and rich images that help explain our nation's history. This family-friendly book is an essential resource for parents, students, teachers, scout leaders, and public officials. Guaranteed to inform and sure to inspire, this book will become a favorite for all who love their God, family, and country and who want to keep the embers of freedom burning bright.
