Mentoring in Higher Education: Best Practices Second Edition Marcia E. Canton, David P. James
Mentoring Enables Those Who Can Make A Positive Difference _____ Mentoring in Higher Education: Best Practices focuses on models of effective mentoring that can be used for staff development and also what administrators and faculty can do to work effectively with diverse student populations in order to promote high levels of student academic success. _____ This book describes the significance of best mentoring practices in academic institutions and is designed as a resource for boards and presidents, chancellors, faculty, affirmative action officers, administrators of mentoring programs, academic affairs officers, student counselors, and participants in mentoring programs. _____ The book also proposes strategies for improving the effectiveness of existing and new programs in mentoring that were designed to increase retention and graduation rates of all students, with emphasis on "students of color." _____
