Qualitative Inquiry and Research Design: Choosing Among Five Approaches John W. Creswell

In this **Third Edition** of his bestselling text John W. Creswell explores the philosophical underpinnings, history, and key elements of each of five qualitative inquiry traditions: narrative research, phenomenology, grounded theory, ethnography, and case study. In his signature accessible writing style, the author relates research designs to each of the traditions of inquiry. He compares theoretical frameworks, ways to employ standards of quality, and strategies for writing introductions to studies, collecting data, analyzing data, writing a narrative, and verifying results.
