Lawson's name strikes fear even among other vampires. He works as a Fixer, making sure his fellow bloodsuckers remain out of sight and mind. For the last thing they need is an angry human mob gunning to serve them some stake. But right now, humans are the least of this problems. Because now, Shiva's back. Half vamp, half werewolf, she's the deadliest assassin he's ever come across - and failed to put down - thanks to her shape-shifting abilities. She's been taking out Fixer left and right across the country, and now she's stalking Lawson's turf.
