This package includes MasteringBiology™

An Inquiry Approach that engages readers in critical thinking through the use of relatable case studies and more.

With a proven and effective tradition of engaging readers with real-world applications, high-interest case studies, and inquiry-based pedagogy, *Biology: Life on Earth* fosters a lifetime of discovery and scientific understanding. Maintaining the conversational, question-and-answer presentation style that has made the text a best-seller, the Eleventh Edition continues to incorporate true and relevant Case Studies throughout each chapter, along with new, more extensive guidance for developing critical thinking skills and scientific literacy.

Personalize learning with MasteringBiology

MasteringBiology is an online homework, tutorial, and assessment product proven to improve results by helping readers quickly master concepts. Readers benefit from self-paced tutorials that feature personalized wrong-answer feedback and hints that emulate the office-hour experience and help keep students on track. With a wide range of interactive, engaging, and assignable activities, readers are encouraged to actively learn and retain tough course concepts.
