The Brinks Mat Robbery, Gold-Cash-Diamonds, a Curse, and a man called Asil Nadir! What on earth could all these things have in common? Squid Ryan, that's what!

Squid Ryan was just a teenager when his father James Ryan carried out the Brinks Mat bullion heist. All James wanted to do was to change Squid's life and not have him struggle as he had. Well change was an understatement. What with a riddle to hidden gold, being pursued by the police and the criminal underworld, Squid finds himself under the umbrella of the Brinks Mat Curse. A curse he has to break.

The years roll by and with a new Identity Squid strives to better himself not wanting to follow in his father's footsteps, but when his family become targets he realises he has to cross the line. Squid finds himself paranoid as to who he can trust. But this is a man who won't be beaten, family is everything to him, and no one will get in Squid way to make sure his family are safe.
