International Water Law Selected Writings of Professor Charles B. Bourne (International and National Water Law and Policy Series)

This collection, with an introduction by Professor Lucius Cafisch (Graduate Institute of International Studies, Geneva), contains selected articles written by Professor Bourne on international water law, complete with a new concluding chapter surveying recent changes in the law. One of the drafters of the ILA Helsinki Rules, Professor Bourne has established himself as an authority in this area of international law. This book is recommended reading for anyone seriously interested in the law of international waterways. It evidences a constant scholarly preoccupation with almost all aspects of that law.
