Queer Italia: Same-Sex Desire in Italian Literature and Film

Queer Italia: Same-Sex Desire in Italian Literature and Film

Gary P. Cestaro's *Queer Italia* includes essays on Italian literature and film, medieval to modern, and attempts to define a queer tradition in Italian culture. Contributors explore the multiform dynamics of sexuality in Italian texts and aim not to promote the mistaken notion of a single homosexuality through history; rather, they upset and undo the equally misguided assumption of an omnipresent heterosexuality by uncovering the complexities of desire in texts from all periods. Somewhat paradoxically, a kind of queer canon results. These essays open a much-needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse. *Queer Italia* will be of interest to a wide audience of Italianists, medieval to modern, and queer cultural theorists.
