## **Taylor's Freedom** E F Turner

Chris's death has left Taylor in confusion. Literally holding the keys to her freedom she chose to remain with David, but at what cost? Realizing that she has forgotten far too much, her journey to remember begins. Danger still looms near as she attempts to move on and find happiness with David. Their plans to marry are violently interrupted as Taylor's memories haunt her, drive her to search deeper within herself, deeper for that which she has lost?? Needing to finalize Chris's estate, Taylor must visit the city, a city she has been warned knows the meaning of her collar and might be a dangerous place. When things go terribly wrong she realizes she may not live through this ordeal. With Rico determined to kill both her and David, Taylor learns more about her past and Rico. What she learns is far more terrifying than she could have ever imagined. Her only prayer is to stop Rico, once and for all?.. As connections begin to clear for her and memories return slowly, each day fills her with some lost vision as she journeys to recall who David truly is to her, and why he is so important to her. Once this connection is made within her, there is still one very important detail that remains for her to realize, one she never imagined possible.....
