#ABCinXYZ From childhood, you likely desired a happily ever after and dreamed of yourself as the heroine of an epic love story. Then as you grew, real nightmares of day in and out caused you to seek comfort and thrills from sources that left you empty and alone. In her award winning Bible study, *Something Abundant*: growing from a child of God to the bride of Christ, Angie Nichols introduced readers to lessons on growing up from a 'child' of God to what Scripture refers to as the bride of Christ. Jesus wrote a longing in your female DNA for perfect Love only He can provide. But growing into a modern day royal 'bride' can be awkward--like a child wearing her mother's high heels. What does living as a "bride of Christ" look like in present society which faces challenges and temptations unknown to previous generations? How do I recognize the Kingdom of God in my ordinary days and operate in the power of heaven? ABCinXYZ is a helpful collection of teaching and testimonies from Angie, other women, and even a few good men representing a diversity of age, culture, and experience. The content from A to Z highlights timeless truth of Scripture and offers realistic application for a wide range of ever-changing issues (beyond marriage and motherhood) that women face today. Through an intimate oneness with Jesus, there is good pleasure for your life and access to incredible influence over the generation in which you were born. At any age and in any stage of life, the King is enthralled by your beauty. ABCinXYZ will inspire your pursuit of a unique Romance and legacy of Love for the daughters--by blood or bond--who follow."
