At Sea (Harbingers) (Volume 16) Alton Gansky

Tank and the Harbingers team have faced strange and frightening things in the past. This might be the strangest. Every trial they've faced, they've faced together, but now they don't even recognize each other—or themselves. Tank awakens on a bed in a small room. He doesn't know where he is. Worse, he doesn't know who he is. The image in the mirror is that of a stranger wearing a tuxedo. Before long, Tank learns that he's on an old style cruise ship—a powerless vessel adrift on a flat ocean, lost in a gray fog that blankets everything under the flat gray sky. Tank doesn't like the fog. Or the ship that periodically shuffles its decks. Soon, Tank learns that he's not the only being on the mystery ship. He begins to wish he was.
