## **Claymore, Vol. 26** Norihiro Yagi

In a world where monsters called Yoma prey on humans and live among them in disguise, humanity's only hope is a new breed of warrior known as Claymores. Half human, half monster, these silver-eyed slayers possess supernatural strength but are condemned to fight their savage impulses or lose their humanity completely.

Former Claymores Cassandra and Priscilla appear to be headed toward an epic conflict, as the warriors protecting the Holy City of Rabona attempt to orchestrate a battle between these two savage elements in order to avert complete annihilation. However, when Clare and Raki step in, the Awakened Ones' fury is redirected toward them!
