## **Dangerously Alice (Alice Books)** Phyllis Reynolds Naylor

Alice has always tried to be a decent person. She gets good grades, comes home on time, and has never really given her dad and her stepmom any reason to worry. But now that junior year of high school has started, Alice is a little sick of people assuming she's a goody-goody, so she decides to start shaking things up. First there are the dates with Tony, a cute senior who's a lot more experienced than Alice. Then the fights with her stepmom about the new cat, the car, and everything else start. But when Alice sneaks off to a party that her parents don't know about and a near-tragedy follows, she starts to realize every choice has a consequence, and danger rarely leads to good ones.

Funny, realistic, and always provocative, Phyllis Reynolds Naylor does it again, proving that she understands what real girls think and feel, with this twenty-second book in the beloved Alice series.
