This is a unique, beautiful and impactful audio product based on the healing power of scripture. The purpose is to provide a source of healing for people that are dealing with issues of fear, anxiety, depression and grief by providing scripture to insure comfort, hope, peace and strength. There will be a time in everyone's life where they would benefit greatly by hearing the word of God through an audio product such as this.

Each CD includes original music created to compliment verses read in the best communicative versions (NKJV, NCV and KJV). The voice over is done in a very comforting, warm, gentle, reassuring fashion with beautiful background instrumental music combined with sounds of nature to enhance the reading (wind, storms, waves, etc.)

Also included inside the CD case is a 16-page four-color booklet that contains the scriptures in printed form, so that the listener can refer to these for easy memorization, and to help "hide them in their heart".
