Midnight Rain (Random Heroes) Dee Davis

For undercover FBI agent Katie Cavanaugh this was supposed to be a routine job-go in, get the evidence, catch a killer. But from the moment she lays eyes on John Brighton the intense charge in the air between them lets her know that the stakes will be higher this time around. Posing as his physical therapist allows Katie first-hand access to him but she can't let the intimacy of living together cloud her judgment. She will need her instincts sharp if she is going to find him guilty...or prove his innocence. Left for dead along a deserted highway, John awakes to find himself physically weakened, mentally scarred, and the lead suspect in a murder investigation. The only bright point in his life is Katie. Warm and beautiful, she is the one person he thinks he can trust. But as a net of suspicion closes in, and as loyalties divide, John and Katie must work together to unravel the maze of secrets and lies that threaten to keep them apart forever...
