Saints and Strangers

George F. Willison

Saints and Strangers George F. Willison

With this book George Willison has brought back to life men and women who were among the most stalwart of American ancestors. He has destroyed a myth that too long engendered the impression that the Pilgrims, while commendably pious and much to be admired, were withal a drab, stern folk - dedicated to prudery. For that injustice *Saints and Strangers* makes generous reparation. The reader will find himself living among lusty English men and women who were well aware of good food, good drink, and pleasurable living. They were an adventurous, hard-headed group, united in their campaign for freedom of worship. With them the reader will go through their term of exile in Holland, their long and troubled voyage from Old Europe to new America, and their hazardous period of settling on a strange bleak coast. It was in and around Scrooby, in almost the center of Queen Elizabeth's England, that the movement began which a century later sent the Mayflower westward with its load of weavers, smiths, carpenters, printers, tailors, and such - with not a drop of blue blood among them. It was a long way, a roundabout way, a troubled way from Scooby Water to Plymouth Rock. With the keen, humorous, analytic eye of hte first-rate modern scholar and the chaste and limitless style of the first-rate modern writing man, Mr. Milliston has produced a realistic picture of these men and women who so often have been inaccurately portrayed.

From reader reviews:

Gregory Proctor:

Information is provisions for those to get better life, information nowadays can get by anyone at everywhere. The information can be a expertise or any news even an issue. What people must be consider any time those information which is within the former life are hard to be find than now is taking seriously which one would work to believe or which one often the resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Saints and Strangers as your daily resource information.

Elizabeth Edge:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them family members or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or playing video games all day long. If you want to try to find a new activity that's look different you can read a book. It is really fun to suit your needs. If you enjoy the book you read you can spent all day long to reading a e-book. The book Saints and Strangers it doesn't matter what good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. In the event you did not have enough space to develop this book you can buy often the e-book. You can m0ore easily to read this book through your smart phone. The price is not to fund but this book provides high quality.

Hae Hughes:

Many people spending their time by playing outside using friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading through a book. Ugh, ya think reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smartphone. Like Saints and Strangers which is keeping the e-book version. So , why not try out this book? Let's notice.

Michael Stricklin:

A number of people said that they feel uninterested when they reading a reserve. They are directly felt this when they get a half elements of the book. You can choose often the book Saints and Strangers to make your personal reading is interesting. Your own personal skill of reading expertise is developing when you similar to reading. Try to choose straightforward book to make you enjoy to read it and mingle the idea about book and reading through especially. It is to be very first opinion for you to like to available a book and study it. Beside that the e-book Saints and Strangers can to be your brand new friend when you're really feel alone and confuse with the information must you're doing of that time.
