The Millionaire Next Door: The Surprising Secrets of America's Wealthy (Bestsellers) Stanley Thomas
In this New York Times best-selling book, *The Millionaire Next Door: The Surprising Secrets of America's Wealthy*, Dr. Thomas J. Stanley uses over two decades worth of surveys, personal interviews with millionaires, and data to reveal the secrets for building wealth in America. Dr. Stanley shattered the contemporary held beliefs about America's rich - and how they got that way. It is seldom inheritance or advanced degrees or even intelligence that builds fortunes in this country. Wealth in America is more often the result of hard work, diligent savings, and living below your means. *The Millionaire Next Door* reveals the common denominators that show up again and again among those who have accumulated wealth.
