**Earth to Table: Seasonal Recipes from an Organic Farm** Jeff Crump, Bettina Schormann

“A beautiful book in every way.” <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />  
—Michael Pollan

*Earth to Table* by Jeff Crump and Bettina Schormann is an extraordinary, gorgeously illustrated collection of reflections and recipes in the tradition of Michael Pollan’s *The Omnivore’s Dilemma* and *Food Matters*. Subtitled “Seasonal Recipes from an Organic Farm,” *Earth to Table* sumptuously illuminates how good food is grown and how it comes to us—following over the course of one year, the journey from farm to restaurant of delicious organic produce. Featuring thoughts and recipes from some of the world’s most renowned and innovative “slow food” chefs—including Dan Barber (Blue Hill), Thomas Keller (The French Laundry), Matthew Dillon (Sitka and Spruce), and Heston Blumenthal (The Fat Duck)—here is a glorious celebration of the best things on earth, from *Earth to Table*.
