Comprehensive legal environment of business text, designed for introductory courses. **Features:**

- Complete coverage includes **all the elements of a traditional Legal Environment of Business Text**. Also covers topics that make it **suitable for "crossover" courses and courses that are traditionally business organizations or business law oriented**. Designed for use in either general undergraduate legal environment classes or more practical paralegal courses.
- **Approachable text**, covering all the major subject areas of the legal environment in an easy to understand and concise manner. **Provides both an understanding of the basics of the law and understanding of practical applications**.
- The basic concepts are reinforced by **cases and hypotheticals** within the text that allow for **practical application of the legal concepts** discussed in each chapter.
- This well-written text includes the following:
  - Each chapter has **multiple hypotheticals, examples, questions, definitions, exercises, in text case summaries and redacted case excerpts**.
  - All of the chapters begin with stated **learning objectives**.
  - Additionally, each chapter includes a discussion of **relevant ethical issues**
- **Shorter length** will appeal to those overwhelmed by longer books with too much information.
