This is the story of the most important Porsche 917 of all: the one that gave Porsche its first victory in the Le Mans 24 Hours. In 1970 the world's greatest sports car race was ravaged by periods of torrential rain but through it all came 917-023, driven by Hans Herrmann and Richard Attwood, to achieve a landmark success for the German manufacturer.

This book provides detailed insight into this race as well as the six others in which 917-023 took part, supported by a superb collection of period photographs, many in color. All Porsche fans will love this addition to the Great Cars series.
