Rough Copy for Saxophone Quartet (AATB): Score & Parts

This is an original funk tune primarily made up of catchy riffs and licks. Although it is composed in cut time to create a laid back, funk feel, the eighth notes are to be swung. As most of the tune makes use of call and response, all parts should be balanced throughout. Also, solos have been written in; however, chord changes are provided for soloists to have an opportunity to improvise. Optional drum kit part included.
