Will we ever see peace in the Middle East? If so, how will it come about? Currently negotiations are in the works for the creation of an independent Palestinian State. However, it will be located in part of the land, which Orthodox Jews believe was set aside by God exclusively for the Jews. They contend that the Israelites under Moses covenanted with God never to let non-Jews live in any part of the Promised Land. They further believe, that a breach of this sacred Covenant will lead to divine curses for the disobedient Jews, including the conquest of Israel by her enemies and the deportation of the surviving Jews to foreign lands. Dr. Leon G. van Wert now has written a new and exciting eschatological work, which clearly shows that the creation of a new, non-Jewish Palestinian State, within the boundaries of the Promised Land, will bring us one pivotal step closer towards the End Times. Using the Old Testament as his guide to interpreting the book of Revelation, Dr. van Wert has unlocked this mysterious book of the Bible. When is the end? The end is near, says the author, when after the creation of an independent State of Palestine, the Cardinals elect two successive Jewish Popes.
