Tigers 2015 Zebra Publishing Corp.

Known as a powerful hunter with sharp teeth, strong jaws, and an agile body, the tiger is one of the most revered animals in the world. It is the largest of the big cats, and its captivating beauty has added to its importance in myth and folklore. National Geographic Tigers 2015 offers a series of stunning images taken by acclaimed wildlife photographers. Each image is accompanied by fascinating National Geographic information and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research and education programs. Earth friendly, printed with soya-based inks on FSC certified paper. A perfect gift for any nature lover.
