Ascension-Accessing the Fifth Dimension Elizabeth Joyce

I can assure you that everything is right on track with our Spiritual evolutionary process. All is right where it needs to be for this phase of the amazing Ascension process we have chosen to be born into, undertake, and move mankind forward. As we progress further and further into the higher realms, we have less and less of the old world to hold onto-the world as we know it. The vibrations are changing quickly, and with that experience we have chaos (destruction before reconstruction). With these new Fifth Dimension energies, God and the Divine are about to lift us up into a new world of splendor! All of us have the ability to become transformed and carry the new frequencies within ourselves. We can become natural healers, manifest our desires, and bring unconditional love to everyone we come in contact with. Only those who choose to open their eyes and see will move along with the tides of change and survive.
