Blood and Ice

Robert Masello

Blood and Ice Robert Masello

Journalist Michael Wilde ? his world recently shattered by tragedy ? hopes that a monthlong assignment to the South Pole will give him a new lease on life. Here, in the most inhospitable place on earth, he is simply looking to find solace...until, on a routine dive in to the polar sea, he unexpectedly finds something else entirely: a young man and woman, bound with chains and sealed forever in a block of ice. Beside them a chest filled with a strange, and sinister, cargo. Now, in a bleak but breathtaking world of shimmering icebergs, deep blue crevasses, and never-ending sun, Wilde must unravel the mystery of this doomed couple. Were they the innocent victims of fear and superstition ? or were they something far darker? His search will lead from the barracks and battlefields of the Crimean War to the unexplored depths of the Antarctic Ocean, from the ill-fated charge of the Light Brigade to an age-old curse that survives to this day. As the ice around the murdered lovers begins to melt, Wilde will have to grapple with a miracle ? or a nightmare ? in the making. For what is dead, it turns out, may not be gone. And here, at the very end of the known world, there's nowhere to hide and no place left for the living to run.

From reader reviews:

Hallie Cathey:

With other case, little persons like to read book Blood and Ice. You can choose the best book if you want reading a book. As long as we know about how is important some sort of book Blood and Ice. You can add understanding and of course you can around the world by way of a book. Absolutely right, simply because from book you can realize everything! From your country until finally foreign or abroad you will find yourself known. About simple factor until wonderful thing you may know that. In this era, we could open a book or maybe searching by internet system. It is called e-book. You can use it when you feel fed up to go to the library. Let's study.

Kerry Diaz:

As people who live in typically the modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era which is always change and advance. Some of you maybe can update themselves by reading through books. It is a good choice for you but the problems coming to anyone is you don't know which one you should start with. This Blood and Ice is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Patricia Glover:

Reading a publication can be one of a lot of pastime that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new data. When you read a guide you will get new information due to the fact book is one of many ways to share the information or perhaps their idea. Second, examining a book will make you actually more imaginative. When you reading a book especially tale fantasy book the author will bring that you imagine the story how the people do it anything. Third, you could share your knowledge to other individuals. When you read this Blood and Ice, you are able to tells your family, friends as well as soon about yours publication. Your knowledge can inspire the others, make them reading a reserve.

Alan Sarno:

Is it a person who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Blood and Ice can be the answer, oh how comes? It's a book you know. You are consequently out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
