## **Long Red Hair** Meags Fitzgerald

Long Red Hair is Meags Fitzgerald's follow up to her acclaimed Photobooth: A Biography. In this graphic memoir, Fitzgerald paints a childhood full of sleepovers, playing dress-up, amateur fortune-telling and renting scary movies. Yet, Fitzgerald suspects that she is unlike her friends. The book navigates a child's struggle with averageness, a preteen's budding bisexuality and a young woman's return after rejection. Fitzgerald takes us from her first kiss to a life sworn to singlehood, while weaving in allusions to witches in history and popular culture. Long Red Hair alluringly delves into the mystique of red hair and the beguiling nature of alternative romantic relationships.
