## **Police Field Operations (7th Edition)** Thomas F. Adams

The industry standard for 21st-century policing, "Police Field Operations" is written from the perspective of a working police officer, presenting real-life scenarios an officer is likely to encounter while on-duty. With its focus on community policing, it describes how and why certain procedures are used, and gives informative techniques from leading police academies from around the country. Provides readers with the widest range of up-to-date information. Use-of-force issues - e.g., when and how much force to use under what circumstances. Provides clearly defined guidelines for shaping and enforcing policy. Officer Survival and Stress Reduction - Exceptionally complete coverage. Helps readers develop the necessary skills of observations, perceptions, interviewing techniques, and crowd and riot control. Great resource material for those involved in police patrol procedures and police and field operations.
