**Taxis in London / UK-Version: The Cult Cars of the British Metropolis (Calvendo Mobility)** Reiner Silberstein

These are cult cars and dominate the cityscape of the British metropolis of London as much as the typical red double-decker buses: the taxis in London. Because the design of the "Black Cabs" still draws on the original models from 1948. The photographer Reiner Silberstein has "captured" the quaint cars in their area in unique recordings and presents them in this calendar in a mixture of black and white and emphasizing their colorfulness - as a kind of historical ties between origin and today. The calendar is up-to-date every year. Look for different sizes! More: [www.facebook.com/SilbersteinKalender](https://www.facebook.com/SilbersteinKalender) Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
