Dr Ranee Jayamaha

The Money Pipeline: A Pillar of Financial Stability Dr Ranee Jayamaha

The Money Pipeline is a comprehensive description - at both macro and micro level - of the payment systems that move money between and among banks, consumers and enterprises. While the coverage is global in nature, there is special emphasis on the evolution of Payment Systems in Sri Lanka and other Asian countries. The author has over 40 years of experience in both the study and implementation of these systems and has covered four important aspects relating to payments systems in 'The Money Pipeline': The global payments setup, the regulatory landscape of payment systems, Sri Lanka's payments history, including the story of introducing a modern payments system into the country and new developments in payments in a global context. This book will be of benefit to central bankers and regulators, payment system professionals, as well as all other stakeholders of payment systems.
